About sportanddev

Learn more about us in English | Français | العربية | Español

The sportanddev website, www.sportanddev.org is the leading global platform for actors using sport for development and peace (SDP), with over 600,000 unique visitors and over 1.5 million page views per year. A wide range of stakeholders use sportanddev to support their programmes and policies, with evidence showing that the tools, resources and information we provide has an impact in the real world.

sportanddev was founded in 2003 and is now officially an adult in the rapidly growing SDP sector! The platform has evolved over the years, but remains true to its founding ideals of serving all actors that seek to use sport for development and peace. sportanddev is an open access platform with a Creative Commons Licence. All our information, tools, resources, trainings and opportunities are freely available to ensure greater inclusion and equity – and to leave no-one behind.

Vision

A world where sport serves everyone in society, contributing to sustainable development and peace.

Mission

To sustain, strengthen and realize the use of sport for development and peace through our global platform and partners.

Goals

- Increase the visibility of sport for development and peace
- Build capacity and share information, tools and resources
- Contribute to improved policy and practice
- Facilitate dialogue, partnerships and strategic alliances
- Strengthen diversity, equity, access and inclusion in and through sport

Our values

Impartiality

No special preference is given to any member of the community above others, regardless of an organisation's size, purpose or location. A diverse range of voices is represented.

Community

"For the community, by the community." Registered users contribute the majority of the website's content and regularly provide input on topics and the direction of discussions.

Collaboration

sportanddev is a multi-stakeholder initiative and is based upon partnerships.

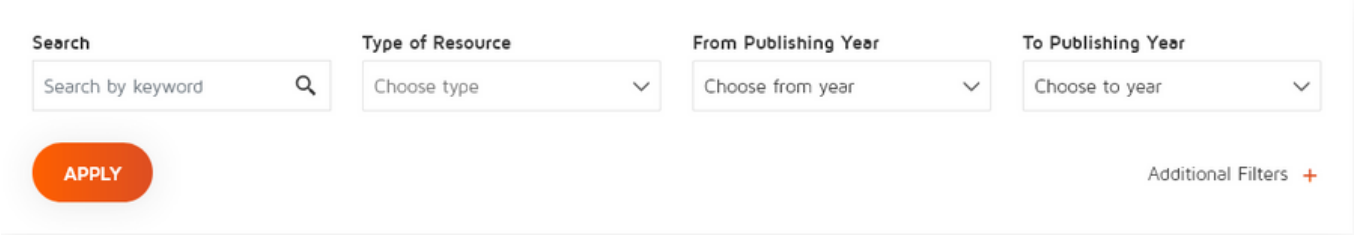
sportanddev.org

Website guide

TIP

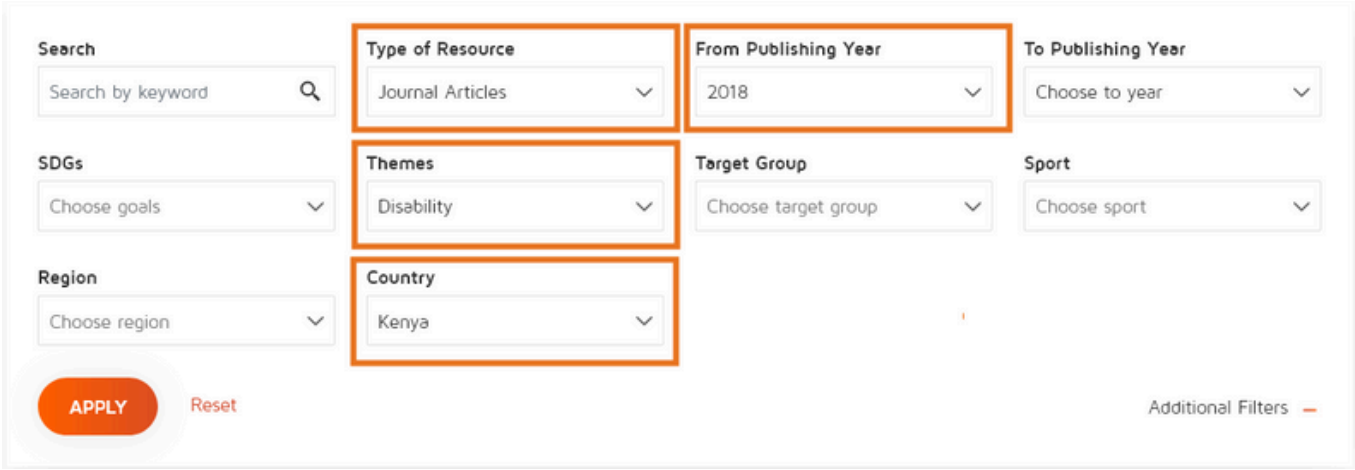
WHEN BROWSING SPORTANDDEV, YOU CAN USE BOTH KEYWORD SEARCH AND CATEGORY FILTER TO FIND WHAT YOU'RE LOOKING FOR FASTER.

Alongside the website's normal keyword search ability, some pages on www.sportanddev.org have a special filter box which can be used to refine results. It looks like this:



You can use this filter box to filter the sportanddev archive by content type, country, date, sport, SDG, theme, target population and more. This allows you to find specific news, events, organisations, research, individuals and organisations.

For example, here's a search for all *journal articles* pertaining to *disability* in *Kenya* published *after 2018*:



About us

Learn more about us in English | Français | العربية | Español

Why does sportanddev exist? What do we do? This website section contains info on our impact, history and an archive of our campaigns and public calls for articles. It also describes our partners, operating team, Steering Board members and contains a Frequently Asked Questions (FAQ) section.

Sport and development

Learn more about sport and development in English | Français | العربية | Español

Sport and development refers to the use of sport as a tool for development and peace. A wide range of actors are increasingly interested in the potential of sport as a tool to reach personal, community, national and international development objectives and address humanitarian crises and conflicts.

Thematic areas

Browse Thematic Areas in English | Français | العربية | Español

Detailed information, tools and resources for different thematic areas and goals to which sport can contribute, ranging from *health* and *education* to *support for refugees, child safeguarding* and *youth development, democracy, disability, disaster response, economic development, environmental sustainability, peacebuilding, policy* and *gender.*

Each of these thematic areas is subdivided into categories containing a huge range of information, tools, resources and guidance. For example, the *Sport and Refugees* category alone covers *The Global Compact on Refugees, the Global Refugee Forum, Sport for protection, Sport, mental health and psychosocial support, Sport and education, Elite sports and refugees, Monitoring and evaluation, Resources for using sport in work with refugees and info on the Sport for Refugees Coalition.*

Latest jobs, news and more

Visit our Latest section in English | Français | العربية | Español

The most up to date news, jobs, events and media from the SDP sector, contributed by our community and curated by sportanddev. Registered users contribute their own content to be featured in this website section. Submit upcoming events, jobs and internship listings, volunteer opportunities, funding application requests, videos, webinar recordings, podcast episodes and more. Subscribe to our newsletter, sent to over 12,000 subscribers every two weeks.

TIP

What people say about sportanddev

sportanddev is perceived as the number one digital meeting place and information source for the sport for development and peace (SDP) community internationally.

— Fredrik Odegaard, Norwegian Olympic and Paralympic Committee and Confederation of Sports

sportanddev provides a unifying and central platform for all role players in sport for development and peace. It enables us to participate in strategic initiatives as part of a network that influences policies, programmes and decision-making, allowing us to make our voice heard from the Global South.

— Professor Marion Keim, Foundation of Sport for Development and Peace

sportanddev is the leading hub for the sport and development community to share knowledge, build good practice, coordinate with others and create partnerships.

— United Purpose
