

27th ACHPER INTERNATIONAL CONFERENCE

Moving, Learning & Achieving

Prince Alfred College, Adelaide, South Australia

18 - 20 April 2011

Please join us in Adelaide, South Australia at the 27th ACHPER International Conference, April 18, 19 & 20 2011.

Take the opportunity to meet and network with a variety of Health, Physical Education and Recreation professionals from across Australia and overseas.

The Conference theme is...

“Moving, Learning & Achieving”

Share knowledge and experience by being part of this great conference supporting the work of all who share a passion for health and physical education.

The Opportunity

ACHPER invites you to attend this significant conference to hear from cutting edge National and International leaders in Health & Physical Education. The program will feature a range of formats including customary practical and theory sessions, keynote speakers, poster presentations, interactive grass roots presentations, round-table discussions and 20 minute presentations.

The Conference will be held at prestigious Prince Alfred College during the school and tertiary holidays.

This opportunity will offer a diverse and varied approach to ACHPER professional learning. The 27th ACHPER National Conference will be global in outlook yet local in context as we strive to learn from leaders in Health & Physical Education from across the world.

We invite educators, post graduates and PhD researchers of Health & Physical Education to submit papers, posters or workshops to the ACHPER (SA) office on or before COB Tuesday, 31st August. More information will be available soon.
