Call for Presentations

The 28th ACHPER International Conference Program Committee invites submissions for presentations. The committee encourages you to develop an engaging and interactive presentation that aligns with the conference theme ‘A Defining Time’. Presentations will be structured as 20 minute papers or 90 minute presentations. Please ensure that you complete all the necessary fields within the Call for Papers online form. The Program Committee will be guided by the information you provide in terms of relevant audiences and the nature of your session but acknowledges that some changes may be required based on logistical limitations.

PAPERS

Paper presentations will be 20 minutes in duration. Abstracts of maximum 300 words must be submitted for review by COB Friday 14 June 2013. Authors of accepted abstracts may submit their full paper for the refereed conference proceedings. The full paper must be received by COB Friday 9 August 2013. It must use APA referencing and be a maximum of five (5) A4 pages (single spacing) including diagrams, or 3,000 words. Please note that revisions of your paper may be required within a certain timeframe.

ACADEMIC POSTERS

Poster submissions in AO format (height 120cm x width 90cm) may be submitted. The abstract will include author title(s) and affiliation(s) to allow the Committee to designate the poster to a specific target audience.

PRESENTATIONS

Presentations will be 90 minutes in duration. A short abstract (60 words maximum) will need to be submitted. We encourage you to develop an engaging title with a clear indication of what delegates will achieve from attending your session and conducted as a lecture, workshop or practical activity.
