

INTERNATIONAL SPORT AND DEVELOPMENT CONFERENCE – BEYOND 2010

1. - 3. September 2010
Cape Town (South Africa)

The South African 2010 Soccer World Cup: Outcomes, Opportunities and Challenges. & Young Researcher Day: Sport and Development

The Interdisciplinary Centre of Excellence for Sports Science and Development (ICESSD) of the University of the Western Cape (UWC), in collaboration with the Department for Sport, Recreation, Exercise Science and Sport Administration (UWC), Western Cape Department of Cultural Affairs and Sports, United Nations Office on Sport for Peace and Development, International Council of Sport Science and Physical Education (ICSSPE), Jacobs Foundation, EFSA Institute, VLIR-DBBS, Free University Berlin and Western Cape Provincial Sport Council, is hosting the International Sport and Development Conference – Beyond 2010 which will review the Social and Economic Impact as well as the Impact on Infrastructure, Tourism and Health issues that the Soccer World Cup has had on South Africa and will look at lessons learnt for beyond 2010.

This event will take place over three days at the University of the Western Cape (South Africa):

DAY 1: Young Researchers Day. Innovative research about various topics in the field of Sport for Development, including the Millennium Development Goals, Research Methodology, Monitoring and Evaluation, Social Transformation and Peace building, etc. will be presented mainly by BA/Hons/MA-students, PhD-students and Postdocs (until 5 years after PhD).

DAY 2 and 3: International Conference. The impact of the World Cup will be analysed from various perspectives including, Health, Media, Tourism and Social and Economic Development. It will be examined from regional, national and international viewpoints. Lessons learnt as well as initiatives beyond 2010 will be discussed, looking towards next Mega-events, like the 2014 Soccer World Cup and the Olympic Games in Brazil. Therefore the conference hosts various national and international guest speakers.

INTERNATIONAL SPORT AND DEVELOPMENT CONFERENCE – BEYOND 2010

1. - 3. September 2010 in Cape Town (South Africa)

2ND CALL FOR PAPERS FOR THE YOUNG RESEARCHER DAY

Closing date for abstract submission is: 3 August 2010

Abstracts of papers and posters are requested for submission for the Young Researcher Day. The papers must be submitted addressing one of the areas of the conference. The papers should focus on *outcomes, opportunities & challenges*. Papers and posters must be written in English. Papers will be double blind peer reviewed for scientific content. Prizes will be given to young researchers for best paper and for best poster. **Paper presentation** will be 15 minutes long. In addition, written paper will be published. **Posters** will be displayed at the venue. Authors will be required to be available at their posters for discussion at set time.

Type of paper:

- **Practice Focus** (A paper which analyses innovative or exemplary practices or programs in the community, in educational institutions and the like. This may take the form of case studies, narratives, demonstrations or technical reports based on evaluation. The outcomes of practice may be improved frameworks, concepts, understandings or structures. This kind of work may involve putting theory and research into practice).
- **Research Focus** (A paper reporting upon original research, based on the systematic collection and analysis of data or facts. This kind of work may involve the application or testing of theory).
- **Theory Focus** (A paper which is broad and generalising in its emphasis, reflecting upon and systematically referenced against one or more bodies of literature or systems of thought).

Thematic areas:

We include the broad and inclusive spectrum of sport for development, following the definition of the *UN Inter-Agency Task Force on Sport for Development and Peace* (2003, p.2) incorporating “all forms of physical activity that contribute to physical fitness, mental well-being and social interaction. These include play; recreation; organized, casual or competitive sport; and indigenous sports or games”.

Under the umbrella of the main topic *Sport and Development – Beyond 2010* and the main focus on *outcomes, opportunities & challenges*, we include specific thematic areas in which theory and practise will be discussed from a scientific point of view. In these thematic areas, a discussion will be held on Sport's contribution to the achievement to the Millennium Development Goals (MDG).

1. Sport, peace and community development (incl. MDG 1)
2. Sport and social economical development (incl. MDG 1)
3. Sport and (formal and informal) education (incl. MDG 2)
4. Sport and gender (incl. MDG 3)
5. Sport, HIV/AIDS and health (incl. MDG 4, 5 and 6)
6. Sport and environmental sustainability (incl. MDG 7)
7. Sport, university and partnerships (incl. MDG 8)
8. Research methodology, monitoring and evaluation in context of sport and development

Deadlines:
