The World at their feet

Fundraiser: To raise £1,000 to send two Millennium Stars players, aged 17-20, from Liberia, for a football trial in Nigeria in September 2012

Millennium Stars FC formed in 1997, during the Liberian civil war. Football enabled them to distance themselves from the horrors of war and avoid being forced to become child soldiers.

Playing football and coaching young players continues to give them a sense of worth and a way to contribute to shaping a vision for Liberia’s new peace-time identity.
