

News & Views Terms and Conditions

Welcome to the News & Views section. Please consult the following guidelines before you post information and/or comments in the News & Views section.

Vision

The vision of the News & Views section is to provide a space for the Sport & Development community to share information and ideas on Sport & Development issues. The News & Views section is not only a space to disseminate information but also to learn about the activities, perspectives and approaches of other actors in Sport & Development. The News & Views section is a space to ask questions, provide constructive and supportive criticism and to learn from others.

Using the News & Views section – your obligation

By using the News & Views section of the Platform, you are agreeing to abide by the rules that govern this section. These include:

- You agree NOT to post content that is inappropriate, abusive, defamatory, offensive, threatening, sexually explicit or depicts violence;
- You agree NOT to post content that infringes the rights of a third party, including intellectual property rights;

The News & Views section is monitored by the Operating Team who reserves the right to edit or delete posts that do not abide by these rules. If you are found to be attacking or harassing another person through the use of the News & Views section, we reserve the right to ban your posts from this area.

Stick to the Point

Please read the other posts before commenting and try to be as clear as possible when posting, bearing in mind that the audience is international. Please try to be as constructive as possible when posting and remember to stay on topic. Please bear in mind that you can always add a new News & Views content page to start a new discussion.

Advertising & Spam

Please do not post commercial advertisements of any kind anywhere on this site, and do not spam (send unsolicited email) any registered users.

Privacy

You are required to provide information about yourself and accept sole and full responsibility for this. You should not enter information on behalf of another person. By registering, you will be creating a personal username and password. Please make sure that you protect your username and password from unauthorised use. Do not post other parties' personal information, or impersonate anyone else when posting in the discussion groups. Please note that these discussion groups are public and can be read by others. Always use caution when giving out any personal information about yourself.

Copyright Infringement

Please do not post material that is protected by copyright, such as complete articles from other sources. If you want to flag up an article or resource, please list only the URL (e.g. <http://www.sportanddev.org/home.html>) of the source, or where it can be found.

Feedback

If you see postings that violate these rules, please let us know by emailing info@sportanddev.org.
