

Paths to Success

Empowering Young Leaders in Sport

December 12-14, 2008
Berlin, Germany

Successful leaders in the international sporting arena will share career advice and workshop strategies to encourage young professionals to take up leadership positions in sport and develop their own path to success.

The international seminar is designed for young women and men interested in climbing the leadership ladder in sport, sport science and physical education around the world.

Paths to Success

Programme Highlights
