ORIGIN OF PLAY AND TRAIN

The Association Play and Train was created by a shared passion of two persons, Mariona Masdemont y Sylvana Mestre, for “Sport”.

With their experience gained all along during fourteen years in the field of sport and disability, they decided to create in 2008 a infrastructure whose main objective is to provide people with a disability and their families the right that all members of our society to gain access to practice, learning and training of sports and leisure activities, regardless of their ability, gender or age.

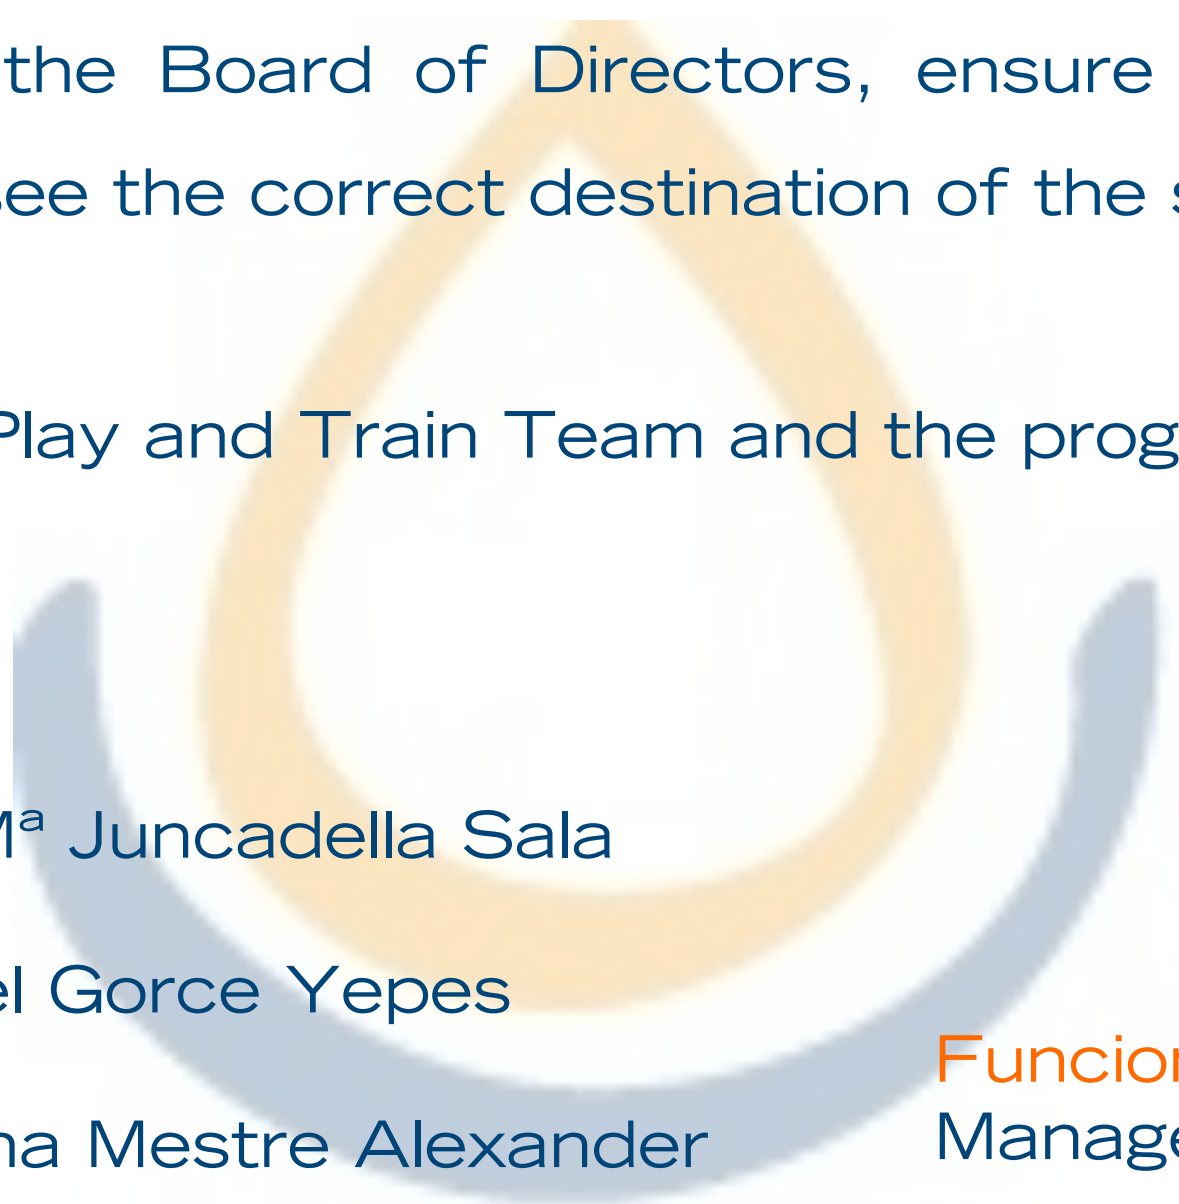

Education and employment of persons with a disability in sports is one of the goals to be achieved.

WHO WE ARE

The Association Play and Train is constituted by people coming from various fields of sport and disability, resulting in a experienced and dynamic professional team.

The current members, who compose the Board of Directors, ensure that it complies with the purposes of the Association founding as well as to oversee the correct destination of the subsidies.

Two highly committed persons run the Play and Train Team and the programs.
