

BUILDING A COMMUNITY OF PRACTICE FOR BICYCLE-RELATED DEVELOPMENT WORK

MONDAY, JANUARY 31ST, 9AM-11AM EST

Speakers Include:

York University Bicycles For Development Research Group
World Bicycle Relief
Massachusetts Institute of Technology D-Lab

PURPOSE

- Outline research findings from past and current studies conducted by speakers.
- Field questions and receive input from attendees in regard to ways forward for BFD-related research.
- Collaborate with organizations, researchers, and policymakers to learn about and begin to construct a 'community of practice'.
- Discuss and explore the creation of a COP, a Transnational Bicycle Collective, to share resources, build advocacy, and overall create a collaborative space for BFD stakeholders.
