EFDN WALKING FOOTBALL CONFERENCE

It is our pleasure to invite you to the EFDN Walking Football Conference, which will be hosted in the framework of the European Legends Walking Football Festival at the iconic Dutch national sporting centre Papendal in Arnhem, the Netherlands.

The conference is an event entirely devoted to broadening the reach of the Walking Football & Walking Sports methodology across Europe.

The European society is rapidly ageing, which makes it necessary to think of smart and innovative solutions to stimulate and encourage the continuation of participation in physical activities and social affairs. Since the beginning of 2016, EFDN - the European Football for Development Network - is working in collaboration with 13 football clubs from all across Europe on developing the European Legends Walking Football & Walking Sports methodology, which provides people of 55 years and older with the opportunity to improve their health in an encompassing way. Walking Football & Sports proves to provide participants with exactly these physical, mental and social well-being benefits.

At the conference key figures that are involved in the EFDN European Legends Walking Football programme and representatives of European Football Clubs, Leagues and Football Associations will be present, delivering presentations that will widen perspectives of Walking Football & Sports, including the adaptation of the methodology for target groups with particular health conditions. Additionally, workshops will be offered for clubs that are new to the beautiful sport and would like to implement the programme in their local community.

Among others, presentations and workshops will be facilitated by representatives of SL Benfica, Fulham FC, VfL Wolfsburg, Tottenham Hotspur and Everton FC. The event starts at 10:00 am and ends at 4:00 pm. During the course of the day there will be the opportunity to visit the European Legends Walking Football Festival.

We are convinced that the conference provides a unique platform for gaining valuable and inspirational insight into the field of Walking Football and Walking Sports for all delegates.

We look forward to welcoming you at the very first Walking Football Conference.
